Dear Friends,

Income from handwork helps with
purchase of handwork tools/supplies, food,
clothing, health care, and personal needs.

My handwork is created with prayer,
love, and in companionship with Mary, Our
Lady of Tenderness.

My primary ministry to pray and
prayerfully create is not to be burdensome. So
I simply ask that you remember me when you
may need a small item to express your love.

You may be certain prayer is lifted for
you and yours daily!

May we all make room for Christ in
our lives, as did Mary. When Christ finds our
hearts open and available to His love, He
promises: "your hearts will rejoice with a joy
no one can take from you" (Jn 16:22).

God's peace to your hearts!

Sister Hilma

Thank you for your support!
Each item is created with loving prayer.
